QUESTION 6

Ryan G is an employee with Money Unscrupulous Finance Cooperative. ("MUFC"). One day, during office hours, Ryan sends an email to his friends in Malaysia, Australia and Canada complaining about his conditions of work and making serious allegations of the mental capacity of his manager, Alex F and causing the impression that Alex F has a severe alcoholic problem. He also asks his friends to forward his email. MUFC, concerned about employees misusing the company's email system, searches the email files of its employees and discovers Ryan's email. They dismiss Ryan G. Ryan, angry at the actions of MUFC, contacts his colleague Rolyrooney and requests him to let him use his computer to get into MUFC's computer system. Rolyrooney lets him into MUFC's office and gives Ryan his password. Together, they release a virus "Ronaldiver" which destroys the system. Discuss the legal issues arising therefrom. You should read the problem carefully and address all the issues, supporting your answer with cases and statutory provisions, where applicable.
